

Remarks

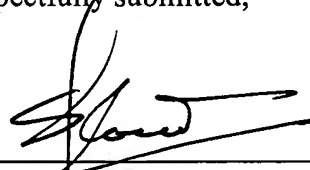

Entry of this Preliminary Amendment is respectfully requested.

Applicant files this preliminary amendment in order to correct a typographical error noticed subsequent to filing the instant application. Those of skill in the art will understand that the expression $\sqrt{Gx1 * Gy1 * Gz1}$, where used in the instant application, is simply incorrect on its face. The correct expression is $\sqrt{Gx1^2 + Gy1^2 + Gz1^2}$. The presentation of the incorrect expression was determined to be a typographical error made during transcription of the application, and not noticed prior to filing. The error was made without deceptive intent.

The Examiner is invited to contact the undersigned by telephone should there be any questions.

Respectfully submitted,

Date: March 1, 2004
